No. 712 Bangalore, dated, 5th June 1921.

From

GEN & REV. SECTT
7 - JUN 1927

M. G. Rama Rao, Esqr., B.A.,
Conservator of Forests in Mysore,
Bangalore.

To

B. Ramaswamaiya, Esqr., B.A.,B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, Revenue Department.

Sir,

Adverting to para 1 of Government Order No.J.4323-31. Legis.25-14-4 dated the 3rd May 1916, approving of the absolute prohibition of the killing or capture of male bison in the - Metikuppe and Ainurmarigudi State Forests in the Mysore District for a period of four years, I have the honor to state that the prohibition has had a decidedly beneficial effect, in as much as, the number of bison is reported to have appreciably increased. Although the prohibition period has expired yet in view of the rumoured visit of His Royal Highness the Prince of Wales and - other distinguished guests of His Highness the Maharaja, it is not desirable to throw open the Forests under reference immediately to Bison Shooting. I am therefore of opinion that the prohibition, may with advantage, be further extended to a further period of two years.

I have the honor to be,
Sir,
Your most obedient servant,

Conservator of Forests.

Sir,

In reply to your letter No.J.241/Legis.38-20-2 dated 15th July 1921, I have the honor to state that from reports I have received later, I understand that bison are very plentiful in the District, and in my opinion it is not necessary to prohibit the shooting of them for two years, especially as the Prince of Wales is likely to come here in a few months' time. I would suggest that bison shooting be prohibited in the Heggadadevankote Taluk from now till after the Prince's Visit is over.
